

Jakarta, January 2015

Dear,

Professor / Doctor / Pharmacist

PT. Servier Indonesia always support the government's efforts in providing health care for the health of Indonesian society through health BPJS. Therefore, we inform you that **Diamicron MR 60 mg has been included in the e-catalogue of BPJS and will be available in Hospitals and Pharmacies that serve BPJS starting in January 2015.**

Diamicron MR 60 mg is an oral antidiabetic medication at a dose of 1-2 tablets once daily at breakfast, will help diabetes patients achieving HbA1c to 6.5%, with lowest risk of hypoglycemia, renal and cardiovascular protection with a good safety profile and with no increase in weight as has been evidenced in the ADVANCE study.

For further information can be obtained through the Medical Representatives of PT. Servier Indonesia or Sales Representatives of APL:

PT. Anugerah Pharmindo Lestari (APL)
